"Or would you rather just have a coffee?"

CBB SPECIAL!

It's the sexiest *CBB* ever!

Channel 5 spoil us with reality TV's hottest ever line-up!

WORDS: RORY BUCKERIDGE

WELL, WE knew that Sam Faiers was a shoo-in for 2014's first *Celebrity Big Brother*, but the honey hits just kept on coming. Batchelor. Boom! Zissman. Zing! Waltz. Wowzers!

It's the sauciest line-up of a reality TV show ever. Even more so than *Celebrity Bake-Off*! So stick a towel on the sofa to save your spot and solder the remote to your palm. Here are their bios.

● *Celebrity Big Brother* is on Channel 5/HD every night.

"Which way round does this stupid duvet go?"

She couldn't work out why her tug of war opponent had fainted

Casey Batchelor

Who is she? Glamour model and aspiring actress, surprisingly.
Distinguishing features: Her eyes. Kidding! It's those all God-given, gravity defying 34GG boobs.
***CBB* PR quote of choice:** "I'm the only girl I know who still shows cleavage wearing a roll-neck!"
Most likely to: Hit the sauna in a bikini.
Least likely to: Sink.

Turn the page for more *CBB* babes!

"They say every seventh wave's a big one – I'm off!"

Luisa Zissman

Who is she? Runner-up of *The Apprentice* 2013.
Distinguishing features: Intimidating mixture of business nous and tight glamour-model figure.
***CBB* PR quote of choice:** "Lord Sugar is the first man to ever say no to me!"
Most likely to: Sell the *BB* chair to the stupidest housemate.
Least likely to: Lose any task. She's terrifyingly competitive.

"Argh! Seaweed on my boobs. No, wait, it's just my bikini"

Plant just couldn't resist a quick tickle

BUSINESS BABE!

It was an odd time to nod off

Sam Faiers

Who is she? Reality TV legend and *Nuts* staple.
Distinguishing features: Blonde hair, vajazzle, glow-in-the-dark skin.
***CBB* PR quote of choice:** "Training alongside Great Britain gymnasts has left me quite supple!"
Most likely to: Leave a ring of sequins in the Jacuzzi.
Least likely to: Hoover up.

"Come on, bra – hang on in there"

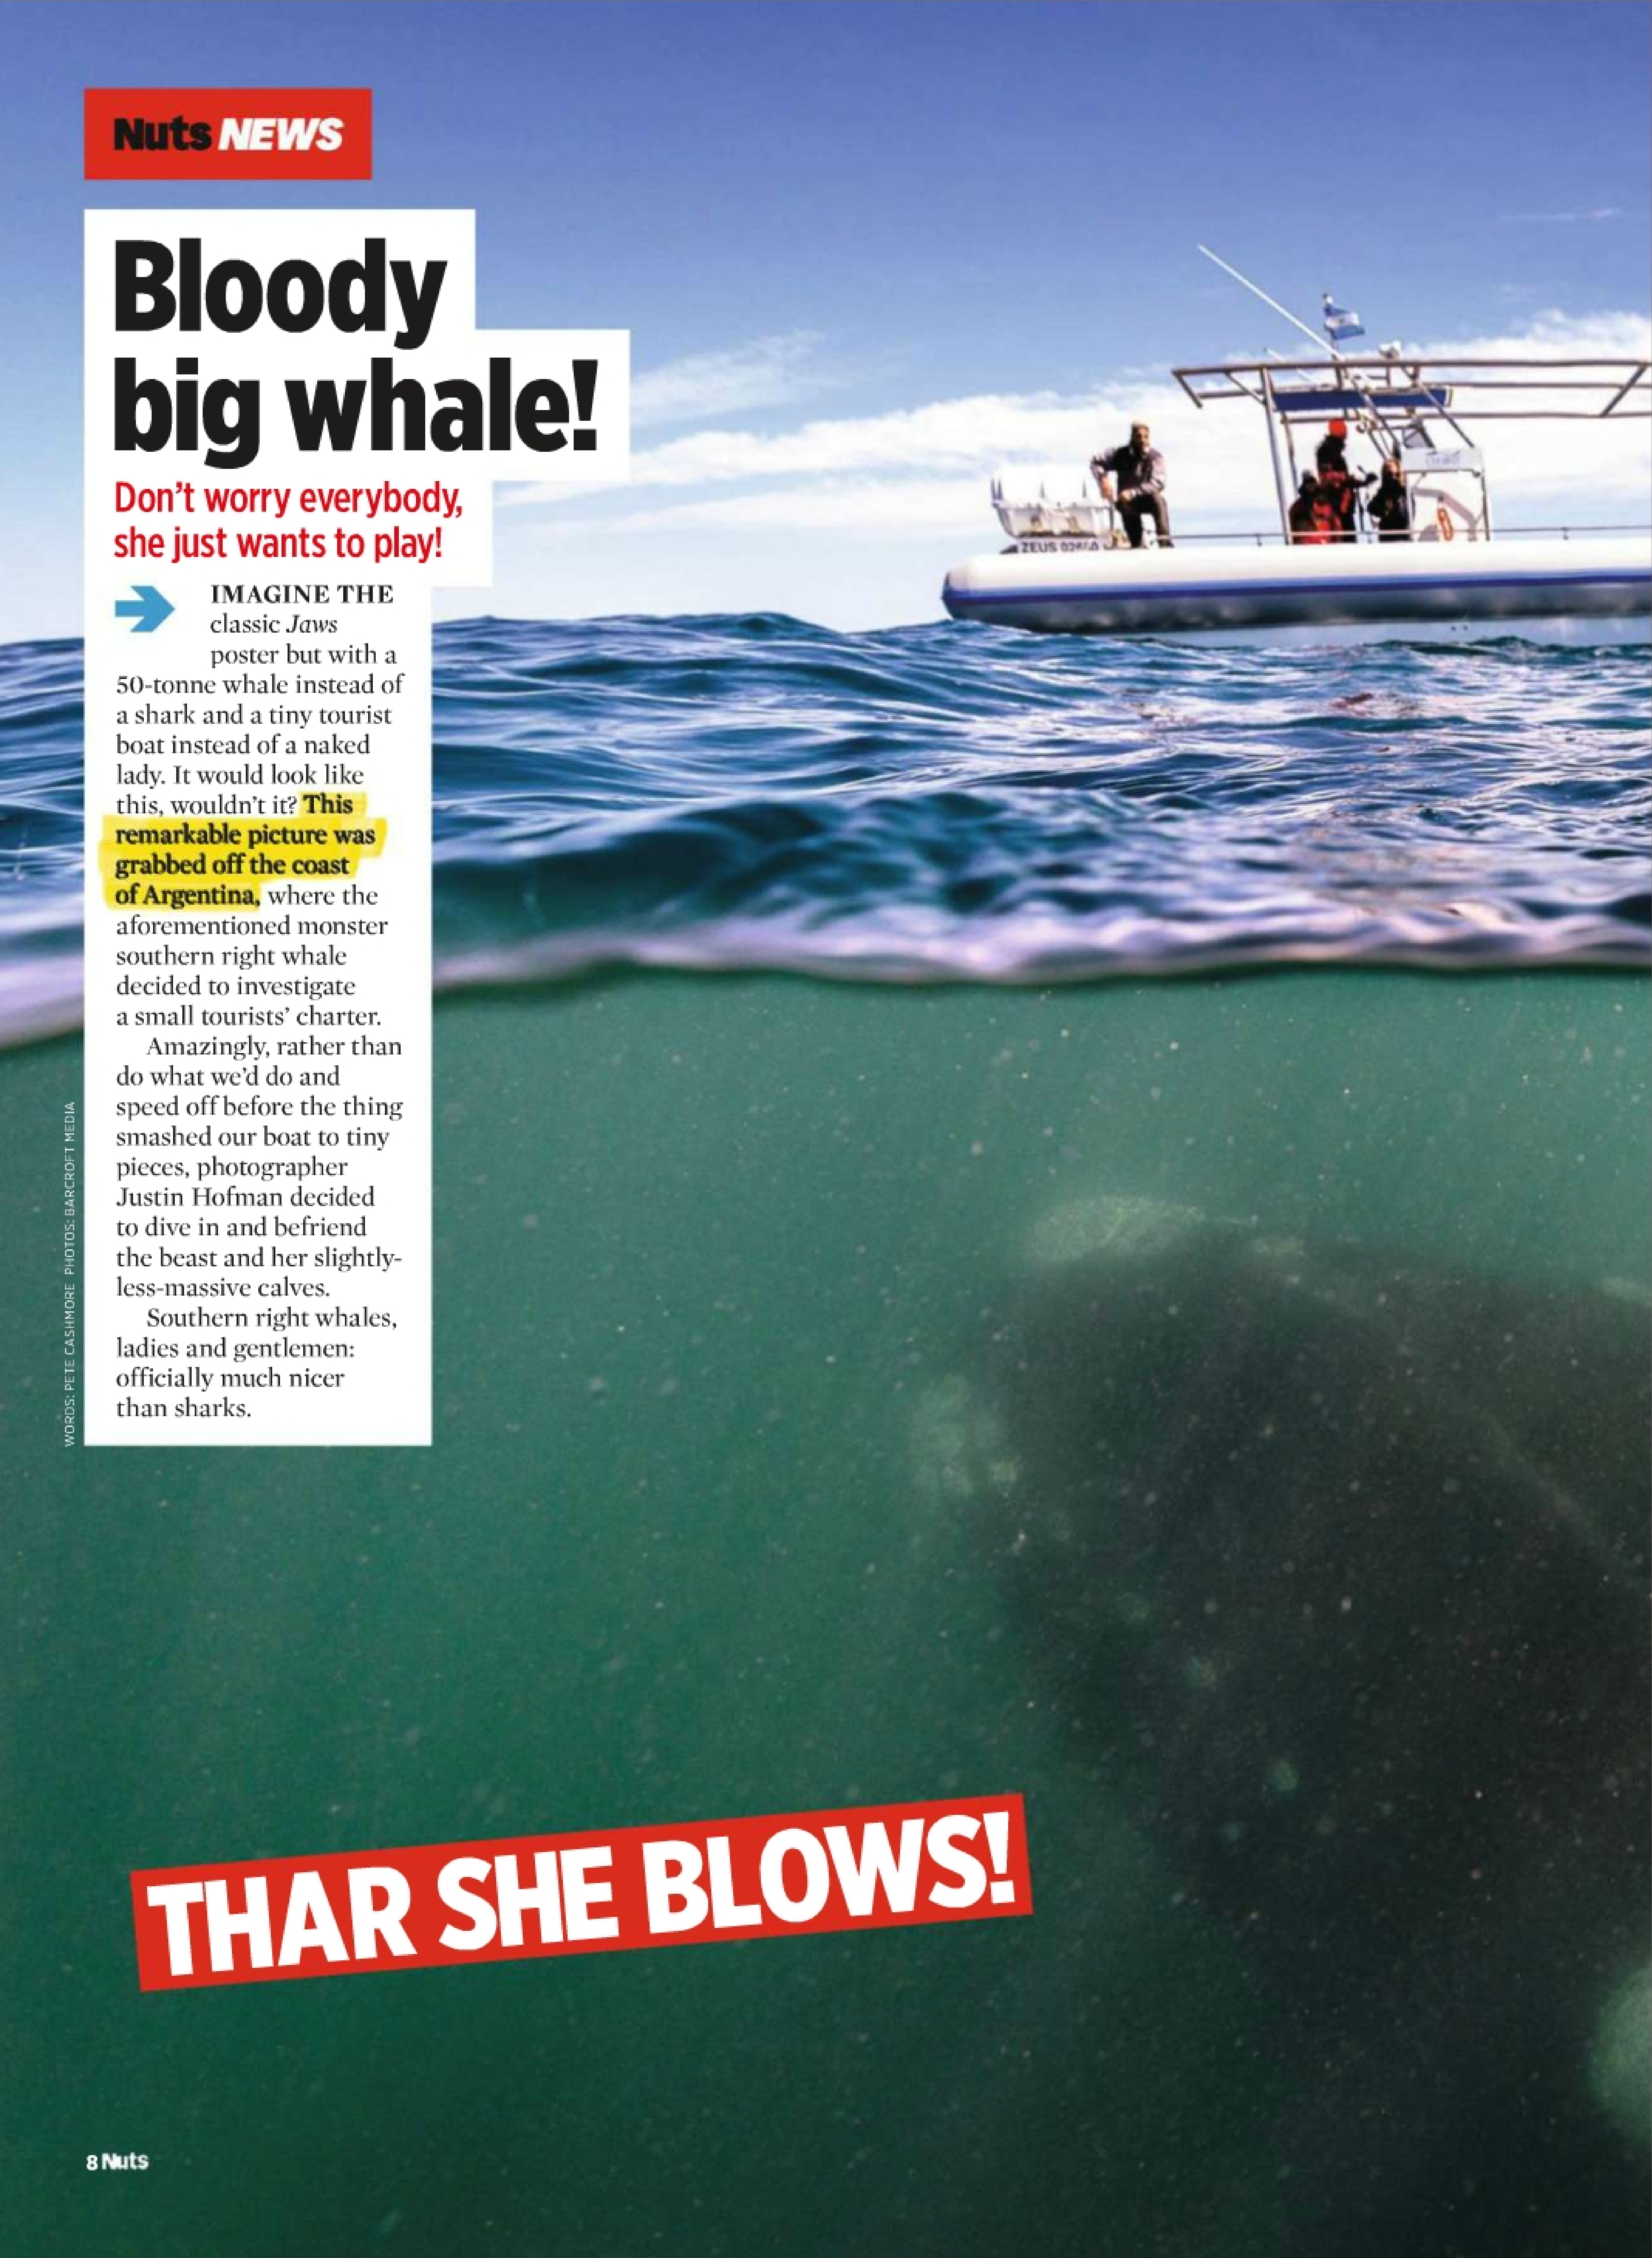
Jasmine Lynne Waltz

Who is she? US actress, star of, erm, *Cheerleader Massacre 2*.
Distinguishing features: A fine right hook (see below).
***CBB* PR quote of choice:** "In 2010 she was accused of punching Lindsay Lohan in the face on her 24th birthday in a jealous fury over Danny Cipriani." Crikey!
Most likely to: Waffle on interminably about her famous exes.
Least likely to: Recognise anyone else in the line-up.

The world's sexiest game of Ludo was about to commence

Bloody big whale!

Don't worry everybody, she just wants to play!



IMAGINE THE classic *Jaws* poster but with a 50-tonne whale instead of a shark and a tiny tourist boat instead of a naked lady. It would look like this, wouldn't it? **This remarkable picture was grabbed off the coast of Argentina,** where the aforementioned monster southern right whale decided to investigate a small tourists' charter.

Amazingly, rather than do what we'd do and speed off before the thing smashed our boat to tiny pieces, photographer Justin Hofman decided to dive in and befriend the beast and her slightly-less-massive calves.

Southern right whales, ladies and gentlemen: officially much nicer than sharks.

Southern right facts!

- Southern right whales are thought to be in possession of the largest testicles in the animal kingdom – each one weighs about 80 stone.
- **They partake in a leisure activity, unique to their species, in which they raise their tail so it catches the wind and "sail".**
- Their main enemy in the animal kingdom is the kelp gull – the evil birds like to divebomb the whales and peck large chunks of blubber from them.

"Wait till you see my breaststroke!"

Ali G's back!

It's Sasha Baron Cohen's new flick!

WORDS: RORY BUCKERIDGE PHOTOS: WENN, REX FEATURES

WITH HIS last movie, *The Dictator*, taking over £110m at the box office worldwide, comic actor Sasha Baron Cohen's next money-spinning stab at Hollywood is resurrecting loveable "gangsta" and leader of the Staines Massive, Ali G.

So quite what he's doing in a ridiculous pair of shorts filming a scene in Los Angeles being chauffeured through a KFC drive-thru in the back of a stretch limo, in a pool, with a couple of bikini-clad lovelies is anyone's guess.

But, then again, maybe that was just Sasha's rider, and nothing to do with the movie at all.

Fighter liquidises leg during UFC dust-up!

"YEESH!!" THAT was the sound that echoed around Earth last week, when a million-plus **TV viewers witnessed Anderson Silva throw a sledgehammer of a leg kick at UFC Middleweight Champ Chris Weidman's** only to see his own shin bend like a cheese string in an instant.

Former champ Silva lost his title to Weidman last July and this fight was supposed to be payback. After getting roughed up on the ground in the first round, however, Silva opted to stand and trade for the second. Well, until this happened.

Silva was then sped to hospital where a titanium rod was inserted into his tibia. "When can I train again?" he asked as he was carted into surgery, a third crack at Weidman clearly very much on his mind. UFC? With metal body parts? Yay! Why did nobody think of this before?

EXCLUSIVE!

A quick word with Professor Green!

The Pro on eating kebabs, tattoos, marriage, dancing girls and his brand new bar!

Hi Pro! You've opened a bar! How come?
I used to get p*ssed up at [trendy North London bar] The Hoxton Pony an awful lot, then I met the owner and his brother, this opportunity came up, and here we are. It's like a boy's dream, isn't it? It's like an adult playground. I've got my own beer, now I've got a bar to sell it in.

What does Professor Green's Remedy Pale Ale taste of exactly? Does it taste of you?
I don't know. I haven't licked my sweat in a while. If you'd asked Millie that question you'd have got a more honest answer. [Thinks.] I didn't mean it that way!

Example told us he'd like to open a cinema and not let anyone else in. What might you like to open next?
I'd like to open a restaurant, but I like to make others happy so I wouldn't want to be the only one in there. That would be boring.

How about opening a kebab shop or a taxi service to feed and get your customers home afterwards?
A taxi service could be a good earner. And a kebab shop – I do love Turkish proper. There's a great place in [trendy part of North London] Dalston that I love.

Have you had to bar anyone famous so far? Is anyone already on your list?
There are probably a few reality TV stars... stars, that's a loose term. Millie's fine. She's one. I don't know. Who do you think should be barred? Calum Best? He's quite harmless though. James Blunt? I like James Blunt. I don't know if it's true but I've heard he's a f**king caner!

You're a really big Arsenal fan. What will you do if the Tottenham boys try to get in?
The Tottenham boys are alright. I used to live where they train. They were nice. I still hate their guts, though.

Your club's called Ink. Did you consider calling it The Professor Green Arms when you were thinking up names?
No. We did consider calling it The Green Room, which I thought was a terrible idea at first, but I began to think, well, it is supposed to be a social area. I was more towards doing something that didn't include my name. Ink came up and I'm covered in it!

Should you have included a tattoo parlour in your club?
No. We have to abide by certain rules set by the council, but you never know, there might be a lock-in or two.

How about some dancing girls? And a pole?
We had a hoop with a lady dangling from the ceiling at the opening night. We also had fire-breathers we didn't tell the council about!

Have you ever been booted out of a pub?
Do you know what? Me, Example, and Plan B got into a a fight a few years ago and got asked to leave. The fight spilled outside on the street but we were victorious.

We did know! Example told us he split his eye open and Plan B twisted his ankle!
I was completely fine. The

PRO AND CO JOIN FORCES! Pro opened Ink with the sons of mixology legend Salvatore Calbrese, Gerry and Jon.

others looked absolutely horrible though.

Will you actually be working behind the bar?
I think that would be wicked on a quiet evening, just to be behind the bar for a few hours and clear my head of all the bullsh*t. Apparently, R Kelly used to go and do a shift in McDonald's. This is my club. If I'm going to put my name to something I want to be able to put my back into it as well.

Shouldn't you be finishing your new album rather than being in a bar all day?
It should be finished, but it isn't. But it will be and it will be f**king amazing!

Thanks, Pro! Finally, congrats on your recent wedding to Millie from *Made In Chelsea*. Er, where was our invite?
Hmm!

Sweet Beemer leccy concept!

BMW's i8 Spyder is faster than an M3, with a 1.5 engine that does 113 miles-per-gallon!

- **One of our choices for cars of 2014 was BMW's critically cuddled i8 coupé. Well, find your issue, scribble it out and replace it with this: the i8 Spyder. Sorry about that.**
- Just like its hard-topped cousin, the i8 Spyder is a seriously tech-laden chariot. It's classed as a hybrid, because it has both electric and petrol propulsion. Promising up to 113mpg and 59g/km of CO2, the i8 is almost as fast as a Porsche 911 and makes a Prius look like a gas-guzzling bloater. Plus, there's no tax and no London congestion charge!
- **Lightness is a huge aspect of the i8's success, because**

WORDS: JONNY SMITH

BMW i8 Concept Spyder

Someone had been to town with the blue eyeliner

the biggest enemy of electric/hybrids is battery weight. By using aluminium for the chassis and carbon fibre reinforced plastic for the bodyshell, this will weigh just under 1,500kg – about the same as a Toyota Prius.

- The i8 is four-wheel drive, because it has a 130bhp, 184lb-ft electric motor turning the front rims, while a 220bhp, 1.5-litre direct injection petrol engine/generator provides shove to the rear end. So although it's only a 1.5, it'll outgun a V8 M3. Fun!
- **£99,895 is the price of an i8 coupé. Expect to pay at least £15k extra for the missing roof. Thankfully the Spyder retains those sick "swan wing" doors because of its rigid carbon fibre life-cell.**
- The concept of this car was unveiled with a pair of electric scooters housed beneath that transparent tailgate. Don't expect them to be included in the sale price. For us, the i8 Spyder proves tree hugging doesn't have to be devoid of style or speed. Bravo, Beemer!

It's your Bedroom Babe winner!

It's last year's most popular real girl!

SO, EVERY week we pluck a nice lady from hometown obscurity and take some awesome pictures of them for our Bedroom Babes spread. This gives us a huge, and enormously compelling back catalogue of the breakout stars of the year. Then, traditionally, we choose our favourites and you chaps pick the cream of the crop on our website. That happened, 250,000-odd votes were cast and here are the results! It's the kind of election we can all get behind!

Winner!
Ann Denise

Congratulations on being crowned Nuts' Bedroom Babe 2013, Ann! How does it feel? Really good! I don't know what to say – I'm speechless. All the other girls who entered were so beautiful.

Did you expect to win?
Not at all! Like I said, the girls were amazing this year.

Well, the *Nuts* readers clearly thought you had the edge. Tell us all about your *Nuts* shoot.
I absolutely loved it – it's the best shoot I've ever done! We did it in a huge mansion – it was so beautiful.

Now you've won over the hearts of our nation's men, what do you plan to do in 2014?
I just want to do as much modelling as possible and get my name out there. But working with *Nuts* is definitely my main goal.

What do you do when you aren't modelling?
I'm a semi-permanent make-up artist, which involves me tattooing people's faces! I used to be a PA in a sales office and a gym instructor before that.

What's your ideal first date?
A guy doesn't have to spend money on me on a first date. If you get a date with me it means I already like you for who you are – I don't just go on dates with anyone.

What's the best chat-up line you've ever heard?
I get so many on Twitter now and they're all shocking. Things like: "I didn't know angels existed on Earth." Help!

WOUNDED KNEE!

'I heard the sound of my ligaments ripping!'

Fearless forester crawls three hours after being flayed by a falling tree!

IF THE *Evil Dead* remakes taught us anything it's that trees are evil. Really evil. And to add weight to our anti-tree campaign, here's unlucky *Nuts* reader Dafydd Lewis from North Pembrokeshire. The forestry operator was the victim of a revenge attack while chainsawing down trees in a remote corner of the Welsh Valleys in July.

Dafydd, 23, explains. "I'd felled 50 trees that morning and one landed awkwardly, knocking me to the floor. I got back up so I could look down at my leg and assess any damage and I heard this tearing sound – it was all the ligaments being torn by a jagged shard of wood. There was pretty much nothing there holding them together."

The collapsing tree had sheared through Dafydd's ultra-protective trousers and made a good job of mangling the back of his knee. With no phone signal and bleeding profusely, survival instinct kicked in and the tough-as-nails Welshman crawled for *three* hours through the forest to get to his truck.

"I had lost so much blood, the skin on my face started to sag," continues Dafydd. "In hospital, my girlfriend heard me screaming halfway across the building!"

To top it all, Dafydd also reckons he won't be working for a minimum of 12 months. "Yeah. I've had better years," he admits. Even so – top crawling, fella!

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

ASK DANNI FOR ADVICE ON TWITTER!

If you want to ask Danni a question, follow her on Twitter – @Danni_Orsi

How can I get no-strings sex?

I'm pretty rubbish at meeting new girls but have recently seen loads of apps like Tinder and Lovoo being talked about on telly and in magazines. Is it really that easy to just get no-strings sex? How should I approach a one-night stand?

ANON via email

It's impossible to "just" look for no-strings-attached sex, anonymous emailer. Do you want women to run away from you? Don't be so defensive and negative about your prospects of meeting a hot babe! But if it's solely app-based sauciness you're after, rather than a relationship, all my friends use Tinder and it works a treat. Be open and honest about what you're after. No willy shots. Willies are ugly. Happy New Year!

LETTER OF THE WEEK!

An orgasm a day!

My New Year's resolution is to give my girlfriend an orgasm every time we have sex, but this is easier said than done. Got any never-fail pleasure tips?

BRYON Walsall

First off, girls are hard work. It's all down to how they're feeling at that moment in time, and if your lady's had a bad day or has stuff on her mind, that's sort of out of your control. You could have the best rhythm, most passionate words and freshly waxed chest in the world, and it still may not do the trick. Send her on lots of spa days with the girls or be seen to be that perfect fella. When her friends think you're a dream man, you are. Then she'll find you irresistible and will be putty in your hands whenever you go to bed.

How should I impress girls?

I want to learn a skill for 2014 that's guaranteed to get me laid. What should I do? Guitar? Piano? Learn French? They do say it's the language of love. Or should I save my money and learn to cook? Help!

SAM Hertfordshire

Get some film memberships. Everyone loves films, and it's easy to sound smart when talking about them. Plus, girls love jumping into protective arms at a good horror movie. Impress your chosen lady with directors' names. She may even enjoy movie-based role-play!

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual *Nuts* address on p66.

It's Stacey Poole!

It's the Barnsley babe with breathtaking boobs!

“I’d love to do a shoot with the beautiful Billie Faiers!”

Hi Stacey! Are you having fun today? I am! I got to wear so many sexy underwear sets. The best part is throwing them on and tearing them off again!

Do you prefer shooting alone or with a battalion of babes?
Sometimes I do wish I had someone else to play with. Today, I'm just walking round in my underwear as I would at home – standard day for me.

So, this shoot is a bit like watching you get ready for a hot date?
Definitely! It's usually me stood in front of the mirror in just my pants, with bras and clothes thrown all over the place. I usually leave the house in more than that though – I make a bit more of an effort than just pants for a first date!

Are you watching any box sets at the moment?
I was seriously into *Luther* and now I've finished that. It sucks as you have that lull where you suddenly have zero to do all night – I now have to speak to people! I'm going to try to get into *Breaking Bad*. Everyone I know is mad about it but I've been scared to start because I'm that far behind. I watch a lot of *TOWIE*, too. I was gutted when it was the last one. I would just love to do a shoot with Billie Faiers. Not only is Billie a beautiful, sexy girl but she also seems like the most down to earth. Make it happen, *Nuts*!

What's your favourite gadget at the minute?
I'm absolutely addicted to *Candy Crush*. No one can get any sense out of me when I'm playing it. I've only had it for two days on my iPad and I'm on level 28. I think that's some quite serious dedication. I also really love my Kindle for reading. Any biographies will do for me because I like being nosy! ✖

ONLY IN Nuts!

Adam Hills Vs the ~~Nuts~~ Question Bucket!

The Aussie comic on pirates, penguins, mermaids and Kermit the Frog!

THE RULES are simple. We fill our bucket with ridiculous questions, then a famous type picks them out at random and has to answer them!

Your new DVD is called *Adam Hills: Happyism*. What makes you happy?
The happiest thing that happened to me in the last couple of years was that I got to be on stage with the Muppets and got a high five from Kermit the Frog.

If you buy a copy of your own DVD and take it back to Australia, will it work?
No. I hope no one makes that mistake. Good point!

Isn't it a bit annoying in Australia when you go to the beach in the middle of July and it's freezing cold, yet in the middle of December it's boiling hot?
That is exactly the kind of dumb attitude that got the first settlers in trouble when they arrived in Australia. They didn't eat anything for the first 12 months because they planted crops in English seasons.

We get those two Aussie blokes flogging Fosters over here – do two English gents advertise real ale in Australia?
Ha-ha! No. We don't drink Fosters in Australia. We drink Victoria Bitter which, confusingly, is a lager. Weetabix we call Weet-Bix. Burger King we call Hungry Jack's. Penguins we call Tim Tams, and duvets we call doonas. It's you lot who have it the wrong way around.

"Here's one I made earlier"

"My head is definitely bigger than the bucket"

Last year, false widow spiders came out of hiding to enjoy the weather and bite lots of people. Did it make you feel at home?
No. The biggest isn't necessarily the scariest. The huntsman is massive but it won't bite you. The ones to look out for are the tiny funnel-webs.

How would you outwit a funnel-web spider, a kangaroo and Hugh Jackman in a fight?
You've got to get up close to a kangaroo, else those big back legs will lash out. So I'd cuddle it to death. A spider I can just tread on. Jackman I'd distract with an Oscar then bash him over the head with my prosthetic leg.

Is stand-up more tiring on one leg? [Adam was born with one foot]
Yes, standing in one spot is very annoying because all my weight goes on my left foot. That's why I bounce around the stage so much. Weirdly, that's a very good question.

When you're playing cricket, does LBW not count if it hits your prosthetic leg?
It probably wouldn't show up on Hot Spot. It depends on whether you'd count my prosthetic leg as a leg or if you'd treat it as an extra stump.

Would you be interested in pitching a show to Channel 4 called *Adam's Hills* in which you explore various gradients of England?
Ha! People keep tweeting me a picture of a place in Nottingham called Adam's Hill. Maybe I should climb that next and have my photo taken? I'm not sure if it's actually my hill. I assume it's an Adam from a very long time ago. Or maybe they're still waiting for an Adam Hill to claim it?

Who'd win in a race, an omelette-making competition and a game of *FIFA* between you and fellow *Last Leg* blokes Josh Widdicombe and Alex Brooker?
Alex has one prosthetic leg and his other leg has issues, so in a flat-out race, I reckon I'd win. Josh looks like he'd be able to make a mean omelette. I don't think Alex can cook. But Alex would win at *FIFA*.

WORDS: RICH PELLEY PHOTOS: COLIN WILLIAMS

"I will now magic a sensible question from this bucket..."

You were a tennis coach. Do you have furry balls?

They get a bit furry over time. So I replace them with new balls every nine games. I played competitive tennis until I was 22, then I coached for three years. I've played at the practice courts at Wimbledon, but I got beaten by a 13 year old.

COMEDY COBBER!

"I'm not going to answer that – it'll incriminate me!"

"They do smell good though"

"That one's got bogies on it now"

Do people shout, "Is it OK...?" at you on the street?

Not on the street, but they do during my show. The other day, I was tweeting on stage and someone yelled out, "Is it OK to tweet in the middle of your own show?" That cut me down to size.

- *Adam Hills: Happyism* is out now on DVD.

‘AS THE AVALANCHE HIT…

…I FACED BEING BURIED ALIVE’

Nuts meets a man who survived the landslide from hell…

EX-SAS MAN Kenneth Jones was 2,500 metres up Romania's Moldoveanu mountain range when an earth-shattering avalanche struck. Alone, stripped of supplies and with a shattered hip, it took four days for him to drag himself to safety. Here, he shares his death-defying tale with us...

Hello Kenneth. First off, why did you want to scale such heights alone?
I was 26 and had finished with the army. I wanted a thrill and Moldoveanu – a land of wolves, bears and isolation – was a fascinating prospect.

So you'd nearly reached the peak, then all hell broke loose. Can you describe that moment?
I heard a chilling groan and a crack from above. I just stood there, petrified like an imbecile, unable to breathe or move. Then a snow-covered ridge – a whole 50 metre wide section of the mountain – cracked and slid downwards.

Did you know what to do?
There's no *Who Dares Wins* about it! I ran, but you're in deep snow, weighed down by a heavy pack and having to plough through thickets of trees. The noise and pace of the first avalanche was horrifying – human speed can't compete. You can't outrun an avalanche, only get out of its path. I escaped by running deeper into the cliff.

And then what?
A second avalanche hit. It wasn't as big as the first, but it came quickly, straight for me. It was like being smashed by a giant wave. You're just spinning around in the snow, trying to get upright but being constantly flattened.

What's it like being inside an avalanche?
It's just a violent white cycle. My army drills taught me to start swimming as hard as I could, kicking frantically with my legs to try to avoid being buried. My other thought was being smashed to pieces against trees or rocks. You see bits of trees in front of you amid all the snow spray. Then I went over a cliff.

Blimey! You went over a cliff?
Yes. One moment, I was overwhelmed by one sense of fear and then another I was falling a long way – long enough to realise I was f**ked. I landed on my backside, the impact pulsed through my body and it felt like my lungs had been ripped out as the air escaped. I rolled head over heels through the forest, with items from my rucksack bouncing alongside me. Then just blackness.

Did you think you'd die at that point?
Well, I never thought, "Oh, I'll crawl all the way back." I just figured the further down the mountain I went, the more likely I'd be seen. I left a map with the reception desk at the hostel I was staying at, but they never alerted rescue.

What kit did you have?
A Leatherman tool – basically a Swiss Army knife – army survival rations, snow clothes and some sausage rolls. I only planned for a few days on the mountain, so why carry heavier stuff?

How did you stay mobile?
I'd crawl in a press-up position for about a minute, then collapse, get my breath and go again. I was in total agony from my knee to my hip, then my other foot – because of frostbite – felt like a block of ice. After a while, it passed pain and developed to a swollen dullness. That was even more worrying.

What was sleeping out there for three nights like?
The cold ravages the body. It destroys morale and every second becomes an hour. I knew that if I fell asleep my body would shut down and I'd die. It was torture – agony and loneliness. By the third night, I had to physically hold my eyes open.

What goes through your mind in those moments?
Paranoia. What if a wolf could smell my blood? I thought about being torn apart. I wouldn't be able to stand to fight it. In the day, exhaustion caused hallucinations. I'd see my mum's iced cakes and evil-faced cartoon characters. It made the interrogation training in the SAS look like a laugh.

How far did you have to crawl to safety?
On the first day, I did one kilometre. The second, I doubled that. On the final day, I managed eight. I ditched equipment I couldn't carry, lost a boot and had to cross frozen streams. In the freezing water, the danger was I couldn't feel my feet – every time I put my foot down I doubted I was touching the bottom.

What happened next?
I crawled into a village and from there, hospital. The police thought I'd been chucked off a mountain then driven to safety! Frostbite took the tops of four toes and my starved stomach was so ulcerated it collapsed in on itself. I was lucky to keep my leg.

What was your rehab like?
It was two years before I took another step and three years before I could walk again. Then there was my stomach – my SAS instructor once told me, don't get shot in the stomach as it's the most painful way to go. Doctors removed most of it – I only have a third of it left.

But you're now back on the mountains, aren't you?
Yes, I organise a replica of the SAS Fan Dance initiation. It's an entry-for-all, 24-kilometre march over both sides of Pen y Fan mountain carrying a 35lb pack. In my prime, it took me 3hrs 40mins carrying 55lbs and a 10lb weapon. The fastest someone has done our lighter one is 3hrs 30! ✖

- *Darkness Descends* by Kenneth Jones is out now through Quercus.

HOW TO SURVIVE AN AVALANCHE!

Ken's top tips for frosty freedom...

- **"Keep energy bars and survival rations in pockets. The bottom of your rucksack's no good in an avalanche."**
- "Ditch any heavy equipment – it'll weigh you down in your escape and bury you further if the snow hits you."
- **"Once it hits, swim or paddle upwards – front crawl or breaststroke – as hard as you can. It'll help you keep at the top of the snow once it settles."**
- "When it stops, dribble. Your saliva will show you which way is up as very often victims are upside down."
- **"Create an air pocket – the larger the pocket, the longer you can survive under the snow."**

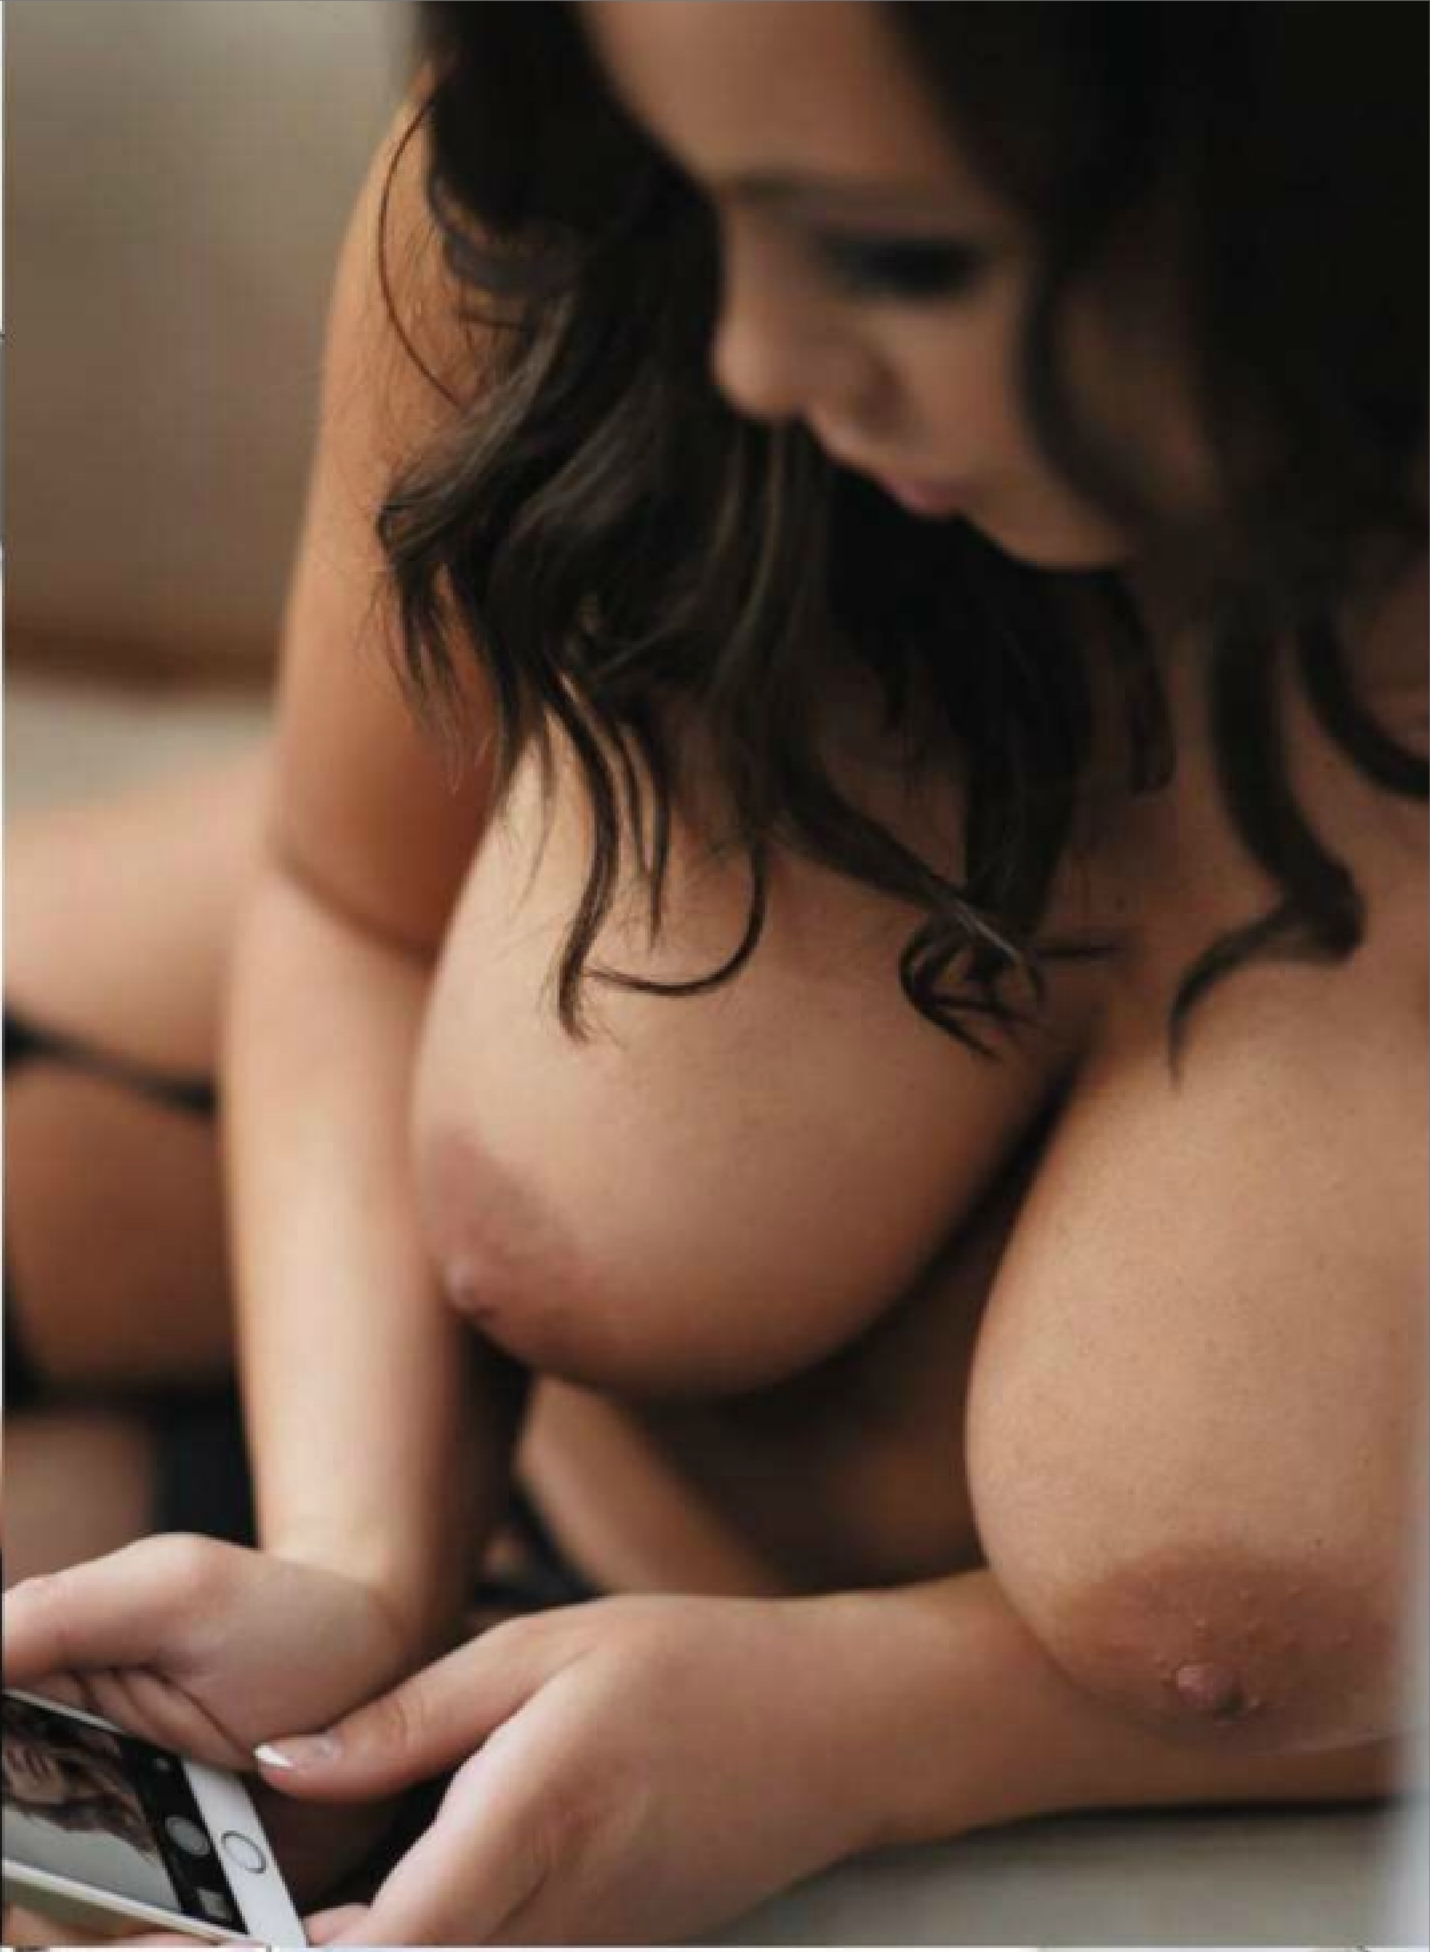
CHANELLE PRESENTS...

103 Sexiest Selfies!

Saucy, self-taken snaps from some super-sexy stars!



“I’d like to take a selfie with Barack Obama!”

Hello Chanelle! The Oxford English Dictionary now recognises the word "selfie" – are you happy?
Definitely! It's great! I love a good selfie. They aren't airbrushed. I think guys appreciate that because they think, "Oh, she's real!"

Do you love a good sneak at other people's selfies?
Yeah, I'm always looking out for them. But I'm obsessed with interior design and decorating, so whenever anyone takes a selfie, I just look at the furniture!

What did you make of Barack Obama taking a selfie at Nelson Mandela's memorial service?
I feel like it was inappropriate. Mind you, if I was sitting next to Obama, I'd have a selfie with him – no matter where we were. The worst bit was David Cameron getting in on it. Oh, David, sit down, you t*t!

Is anywhere off limits for taking a saucy selfie? Service stations? Supermarkets?
Emma Glover always takes good selfies in weird places – she pops one boob out and makes it look like it just innocently toppled out! Can you imagine walking down the fruit aisle in a supermarket and seeing a different set of watermelons? Or the meat aisle and seeing a different type of sausage? Too rude!

Is it acceptable for a chap to take a selfie?
The only men I follow on Twitter are family members. It would be so awkward if my dad decided to take a selfie – a delfie, if you will.

Did you just invent a new word?
Ha-ha, yes! We need to call the dictionary people and get it in.

Have you ever shared a private selfie with the world by mistake?
No, I haven't. But it would probably look like something I'd post publicly anyway!

10 RUDE QUESTIONS!

And a real girl to answer them!

Laurie

22 South Wales

1 Where's the weirdest place you've had sex?
"It's got to be the one time I went camping – that was a pretty strange experience. There's something quite intense about being close with someone in a tent. Although it was a pretty uncomfortable experience. Give me a bed any day."

2 What's your trademark move in the bedroom?
"My trademark move has got to be taking control in bed. Blokes love it, and I love to be totally in control. Everyone's a winner!"

3 What really turns you on?
"I've always loved having my neck kissed. If a man does that, it never fails to get me going. Having my back gently tickled also makes me go weak at the knees. It's such a turn-on for me!"

4 What's your favourite position?
"Do I have to choose only one? Ha-ha! I'm the queen of the Kama Sutra. I always love to mix it up a bit in the bedroom."

5 What one thing would you really like to try but haven't yet?
"There isn't a lot I haven't tried, when I think about it. I'd love to be naked while it's snowing, so that's quite an appropriate one for January. It would be fun, though, so let's hope we get some cold weather this winter!"

6 Ever got it on with another girl?
"No, I've never kissed a girl. That's probably because Michelle Keegan hasn't crossed my path yet, unfortunately. Maybe you guys can hook us up sometime!"

7 What's your favourite sexy outfit?
"I've got to be honest, in the bedroom I'm a nude kind of girl. My motto is, 'The fewer clothes, the better!'"

8 Have you ever made a sex tape?
"Not yet, because I'm sure it would end up on the internet if I did!"

PHOTOS: NIGEL CRANE

10 Is it better to give or receive?

"Ha-ha! If you want me to answer this truthfully, I have to say receive. If I'm honest, I'm quite selfish in the bedroom. I love to receive!"

9 What's the rudest thing you've done?

"I once sent a naughty picture message to the wrong person. It was really embarrassing! I definitely can't bring myself to tell you what the content of it was. Cringe!"

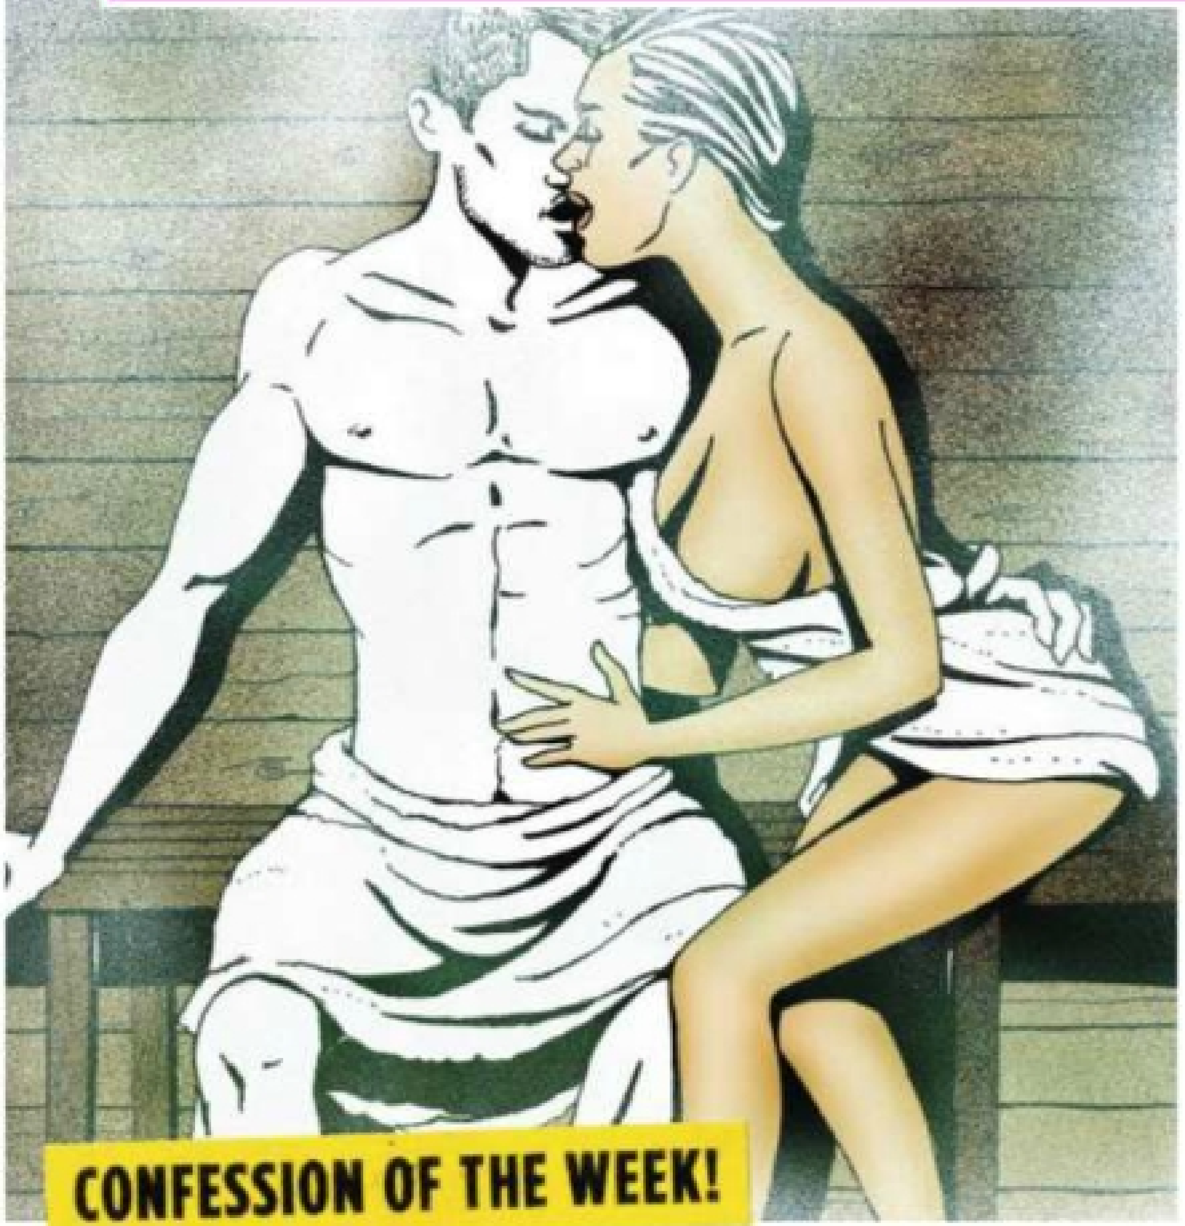
LADIES CONFESS!

TO OUR SECRETARY!

Racy revelations from our female readers!



CONFESSION OF THE WEEK!

'It was as hot as a sauna'

MY BOYFRIEND took us to a spa for a New Year detox. We both chose a full massage and headed down to the treatment rooms in just our robes. I slid my gown off and climbed on the table, covering myself with a small towel. After being caressed and fondled for an hour, I was very turned on and relaxed. After, I met my boyfriend in the sauna, and we both felt naughty. Taking my towel away, he started teasing me with his tongue. It was so intense that I climaxed in seconds and we had to take a dip in the pool to cool down!

Lisa **Orkney**

'A surprise night in'

MY FRIEND and I were invited to a party last weekend, and she came to my house beforehand so we could get ready together. After a few of glasses of wine, my friend spilled a glass on herself. We both laughed as she pulled off her wet top. She looked stunning in just her bra and I couldn't stop looking at her. She asked to borrow one of my tops so I pointed to the chest of drawers. I heard a gasp as she opened the drawer and pulled out my Rampant Rabbit vibrator. My cheeks flushed. She looked at me and smiled sexily, saying, "I have the same model but I think I'm using it wrong. Show me how it's done?" Suffice to say, we never made it to the party!

Alex **Southampton**

'A voyeuristic trip for four'

I HAD to travel to Leeds on the coach with a male friend of mine who I'd fancied for ages. It felt like the middle of the night as we cuddled under his coat on the back seat, so I decided to give him some oral pleasure. There was another couple a few seats down who spotted what we were up to and decided to do the same! The girl and I caught eye contact and gave each other a naughty smile. The view was obstructed by the seats but I could see that she was copying everything I was doing. My boyfriend loved it and asked me to play with myself so that he could watch us both. We ended up in our boyfriend's laps, slowly rocking back and forth until they both came. It's lucky the driver didn't notice!

'We did a no-pants dance'

ONE SUNDAY afternoon, my boyfriend and I decided to go to the big shopping centre in town. As we went past a gorgeous underwear shop, my fella grabbed my hand and pulled me in. I picked up a sexy little pair and my boyfriend's face lit up as I gave him a cheeky wink and wandered to the changing room. The place was dead and the young shop assistant was on the phone by the till. I pulled the curtain open a bit and flashed him, then pulled him in. We were soon snogging and his hands were all over me. He got down on his knees, pulled the new panties down and gave me amazing oral. It was so hard not to scream out as I came, but the girl was still on the phone when we came out and hadn't noticed a thing!

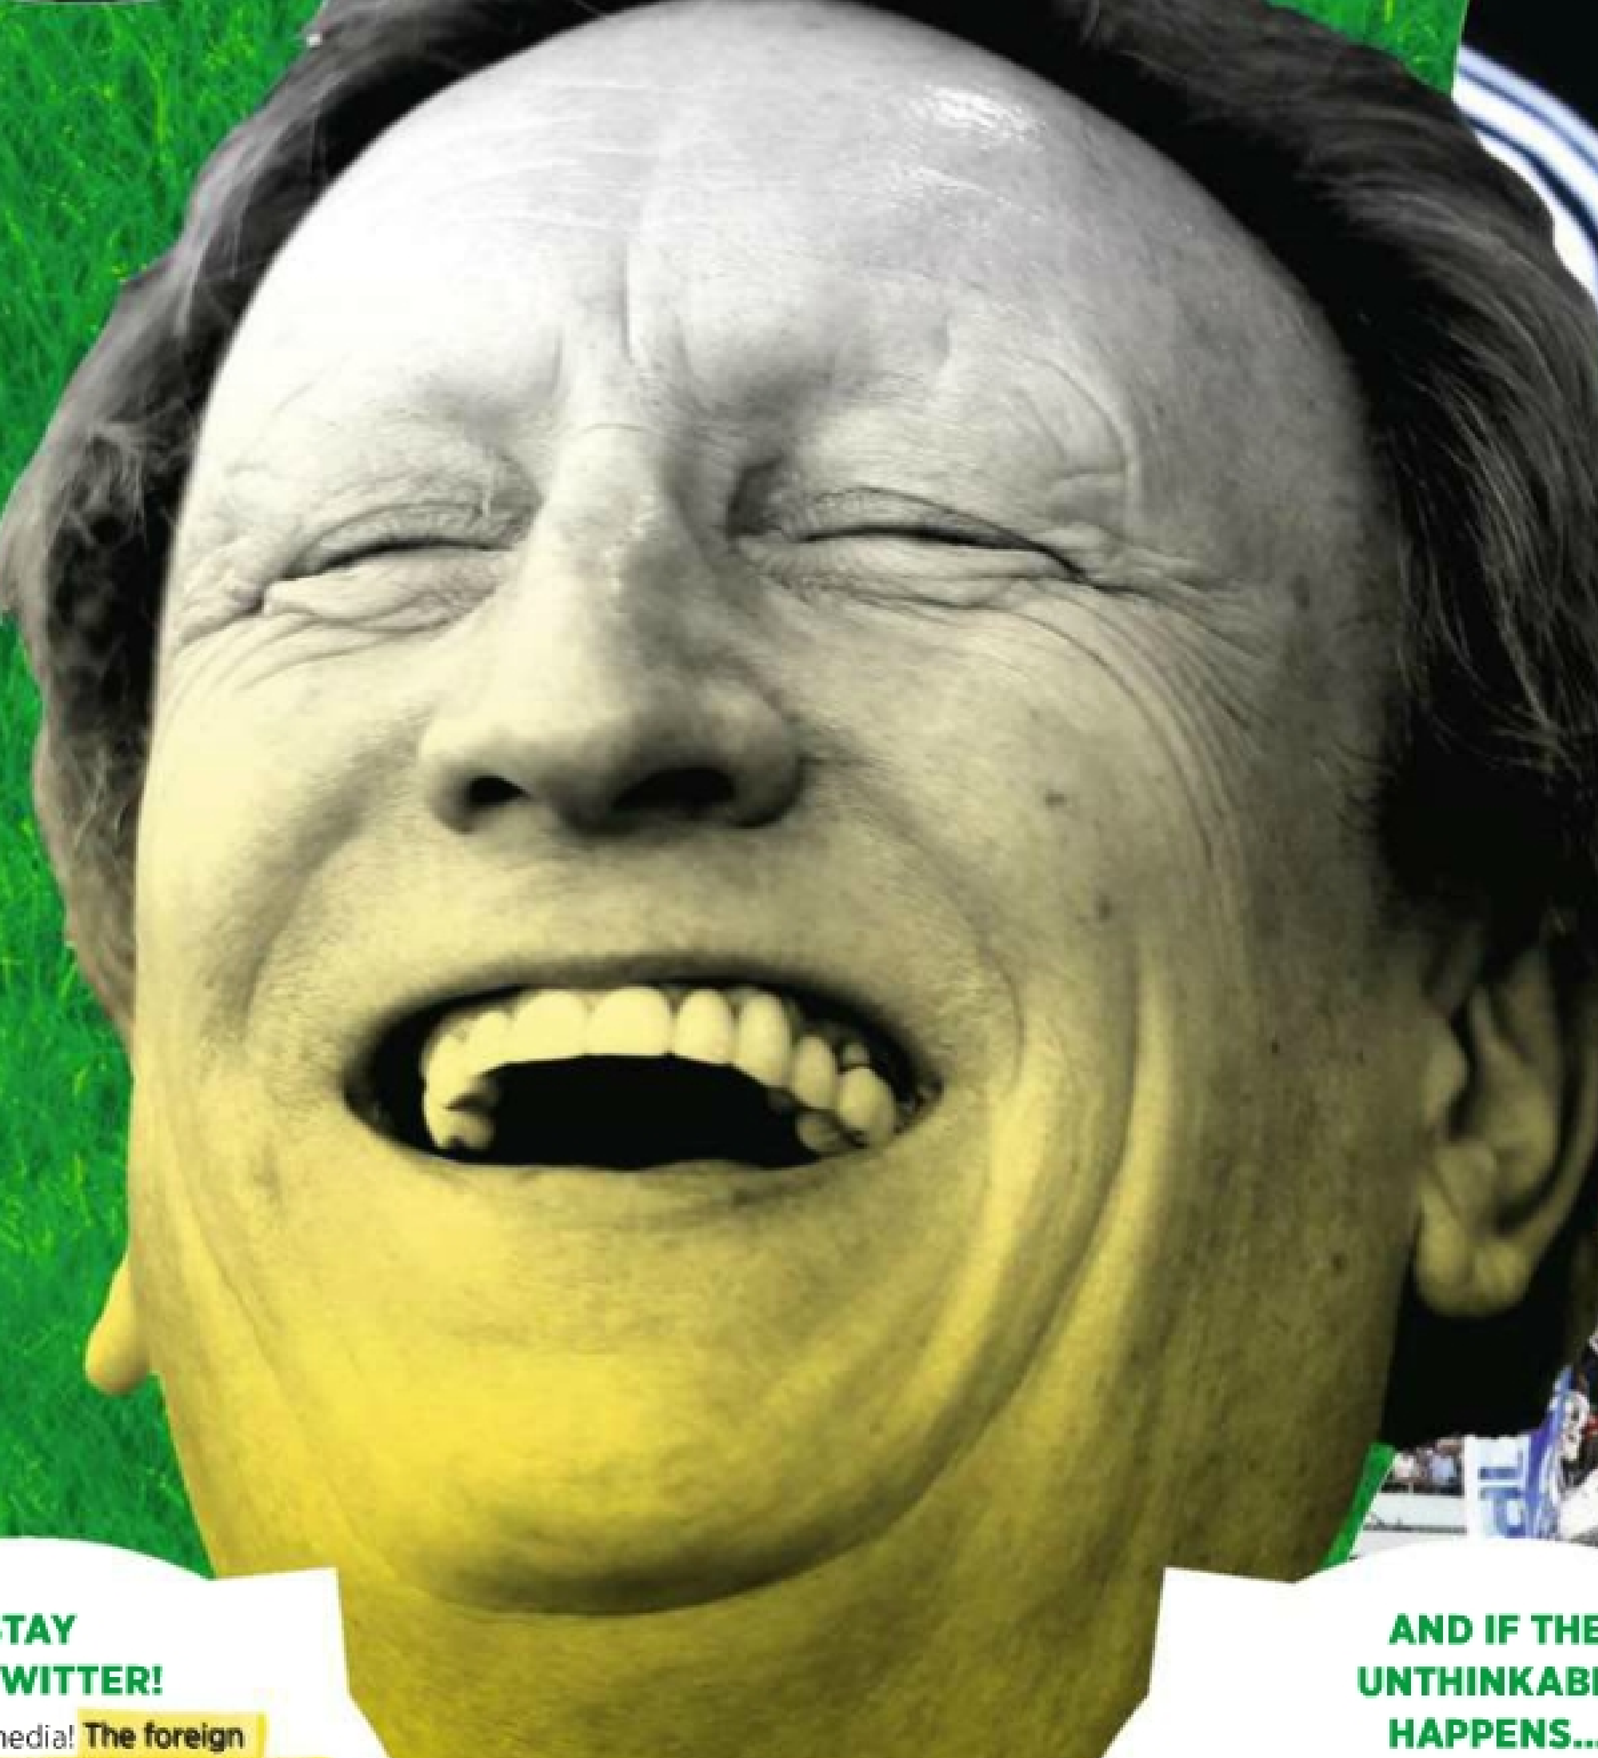
KNOW THE MARKET!

"January's a vital time when it comes to getting in reinforcements. All the owners have got to decide whether or not to entrust that reinforcing process to you. Pretty much every club in the bottom half of the division will be looking over their shoulder, and their owners will be asking themselves: 'Do we trust this guy to spend our money and make this team better, or do we recognise the way results are going, and get a new fella in and give him the money instead?' That's at the forefront of owners' minds at this time of year. And don't think that, just because the owner's been discussing transfer targets with you, he doesn't have a replacement for you in mind."

DON'T PUT YOUR TRUST IN LUCK!

"Let's take Steve Clarke as an example, because many people thought that was a harsh sacking. West Brom chairman Jeremy Peace looked at Clarke's record over the last calendar year and it wasn't great – they had a terrible run-in last season and, although they've had a couple of good results this season, they've still not been brilliant. But they've had some horrendous luck along the way. They've lost at least seven points just through bad refereeing decisions such as wrong penalty decisions, and those seven points would make a world of difference to their position in the table. Do those referees feel as gutted about Steve Clarke losing his job as Steve Clarke does? I bloody doubt it!"



STAY OFF TWITTER!

"Ugh, social media! The foreign chairmen can't help themselves, tweeting all the time, sending messages every five minutes – it's a non-stop barrage of messages from every angle. It just makes a manager's life more difficult when it doesn't need to be. I've been told I'd have millions of followers if I could ever be bothered to join Twitter but they'd all be wanting to abuse me. There's absolutely no point in it for a manager – you can get that walking down the road. Twitter's for players and chairmen – people who like to read about themselves all the time."

AND IF THE UNTHINKABLE HAPPENS...

"My first sacking was at Notts County. My God. I took them up twice in two seasons, to the top flight for the first time in donkeys' years, gave them two Wembley appearances, turned Chelsea down because I wanted to stay loyal – then six months later I got the sack. I tell people who talk about loyalty to shove it where they shouldn't! We celebrated though. We got all the local press out and celebrated with a bottle of champagne because we'd performed bloody miracles. QPR was like shell shock, the biggest blow I'd ever had. Again, I'd taken them up, we were out of the bottom three with some easy games coming up. I was stunned by what had gone on behind my back as regards to bringing a new man in. Gutting."

EXCLUSIVE!

Hoggy's top one-day men!

Matthew Hoggard picks the men to beat the Aussies!

WELL, THE Ashes Test series has come to an end and we think it's fair to say that things didn't exactly go to plan. In fact, we think it's fair to say that **England had their backsides handed to them by a rampant Australia side out for revenge.** But now England have a chance to get their own back in the forthcoming one-day series, which sees their biggest hitters being given a chance to shine. Here, England pace legend and Ashes winner Matthew Hoggard picks out his key game-changers in the England team...

- The first one-day international between Australia and England is on Sky Sports 2/HD on 11 January at 3am.

INTERVIEW: PETE CASHMORE PHOTOS: ACTION IMAGES

EOIN MORGAN

"The captain's a man who can unleash great destructive power with the bat, but he's also Mr Cool under pressure and a great finisher of games. He hits the ball 360 degrees, instinctively knows the right time to take risks, and can change the game in an over. He's a very hard man to bowl at. You have to take each game as it comes but there'll be a certain amount of pressure on him to win England some pride."

RAVI BOPARA

"Ravi Bopara's a bit of an enigma. He dominates the one-day game in domestic cricket, has played the short form of the game all around the world, and can be an absolute force of devastation with the bat. He's a big, big hitter of the ball. He's also very underrated with the ball in his hand – people forget how good a bowler he is. He's very canny with changes of pace and reverse swing."

ENGLAND LEGEND!

Hoggy played 26 times for England in one-dayers, including twice against the Aussies.

BEN STOKES

"We've seen what he can do with the bat, when he got England's first century of the Ashes series in only his second Test. He's a hard hitter of the ball, can bowl at 90 miles an hour plus, and is one of very few England men who can say they had a good Ashes series. He'll come to the one-dayers full of confidence – he knows how to score a hundred against the Aussies and that's priceless."

JOS BUTTLER

"He's got the wicketkeeper spot ahead of Craig Kieswetter, and again, at the risk of repeating myself, he's a very destructive batsman – he can hit the ball absolutely miles. He's another good finisher at the death, but I'd like to see him get the opportunity to get in, lay a platform, see a couple of balls before he has to unleash all of that pure force. The longer he bats, the better he gets."

LUKE WRIGHT

"England will probably open the batting with Luke. He's gone away and played in Australia's Big Bash and the Indian Premier League and he's learned a lot about how to construct a big innings rather than just a quick slog. You used to get a quick 30 from Luke and then out – now you get hundreds at a very good lick. And if you have a player like that in your side, they win you games."

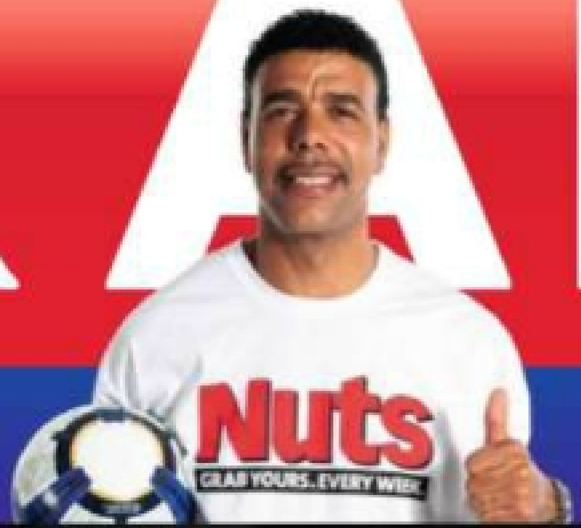
KEVIN PIETERSEN

"Here's an interesting one! When you play limited overs cricket, you want – here we go again – your most destructive batsmen, and KP on his day is almost impossible to play. He can play you right-handed, left-handed, middle-handed. He can put you anywhere and can take the game way beyond the opposition in ten overs. He's been substandard so far – it would be nice to see him at his best."

Hoggy's verdict!

"It's a new series. It's not the Ashes. Australia will be full of themselves, but England have an influx of new players who didn't play in those Tests who'll bring their own brand of optimism and attitude of 'right then, we'll show you how to play!' English cricket on the whole has been on the up for years. These lads won't lay down and die. The first game's pivotal, and I reckon that if England take the first game then they're in for a fine series. They look very strong on paper – but then, so did the Test team."

KAMMY!



He's the voice of the fans – and he's only in *Nuts*!

"A stuck zip? Who do you think I am, your mum?"

What is Vincent Tan playing at?

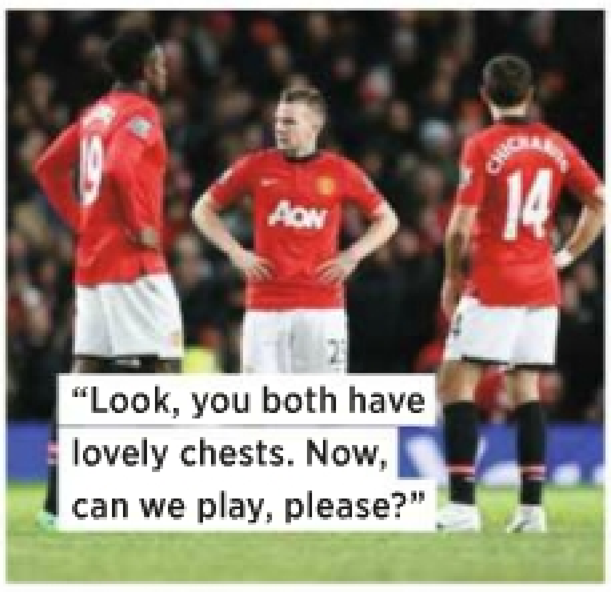
Is he actually some kind of evil genius?

I JUST can't get my head around Vincent Tan. He looks like he ought to be playing a Bond villain, and some of his decisions aren't too far away from Bond villain territory either! I'm sure Malky Mackay would agree with me on that one.

Chairmen have always made those "difficult", by which I mean inexplicable, decisions to sack managers in the hope that the club will kick on. But Ole Gunnar Solskjaer is an intriguing choice of replacement. He's a quiet man, possibly the second quietest man of Sir Alex Ferguson's reign behind Paul Scholes. Not natural manager material. And the big question is: would any other manager of Molde, two-time champions of the Norwegian league, have got the Cardiff job if they weren't Solskjaer? I suspect the answer's no, but Tan's obviously hoping he'll make a difference.

I don't know what Tan's problem was with Malky Mackay – theirs looked like a marriage made in Heaven, but it was an ugly end and I reckon it's only going to get uglier if it makes it to the law courts.

Tan obviously believes he knows what he's doing so it's a tad unfair for us all to say he doesn't have a clue, but he comes from a business background and he may just find out that football's a business unlike any other.



"Look, you both have lovely chests. Now, can we play, please?"

It's time to admit that United are out of the running!

IT WOULD be a massive, insane, unprecedented ask of Manchester United to stay in the title race after their defeat to Spurs. They need about five teams to have shockers in the second half of the season, but the fact remains that if Arsene Wenger, Jose Mourinho or Manuel Pellegrini have an equivalent second half of the season to David Moyes' first half, they'll probably be fired.

The title's no longer United's and the Glazers' main concern is that they make next season's Champions League. United fans will feel like it was a bit of a false dawn – six wins on the spin up to the Spurs match, and then their fourth home defeat of the season. You just don't win titles with a home record like that.

- Send jokes, comments, pics etc to kammy@ipcmedia.com. The best ones we publish will win a signed *Nuts* T-shirt!

"First the eye and now a nosebleed! FML!"

Hart is back like he never left!

I ALWAYS maintained that Joe Hart would be back sooner rather than later and he was one of the best performers of the Christmas fixtures. Costel Pantilimon isn't the greatest keeper in the world and I think everyone knew Joe would get back in eventually.

I think it was just a wake-up call from boss Pellegrini to say, "You're not having the best time of it, so I'm going to take you out of the firing line." Joe's a warrior – look at the shiner he copped against Palace – and he's the right man to be in goal for Man City and England.

The Anelka situation's a confusing mess!

I FIND the situation with Nicolas Anelka baffling through a mixture of not fully understanding what his gesture meant and not knowing why he made it.

I'd never heard of the "quenelle" gesture he made after scoring, which is maybe why I don't understand the furore. I thought he was tapping a black armband as a tribute to a recently deceased friend.

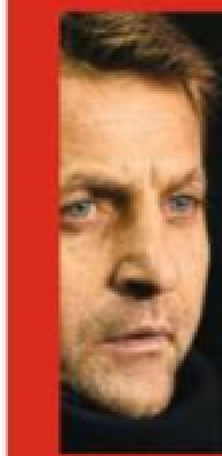
What I would say is if you're in the public eye, you have to be wary about what you do. I have a feeling Nicolas will, with his history of controversy, suffer quite considerable consequences.

Anelka made the gesture after scoring against West Ham

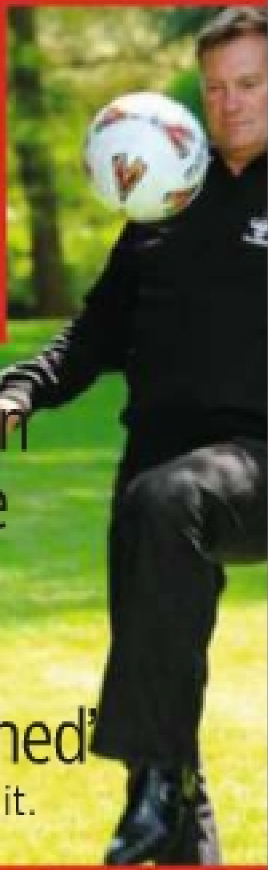
"Quote me on that!"

This week's biggest match debaters!

"When you play in a back four, you need a back four"
Yes that does help, Paul Merson.

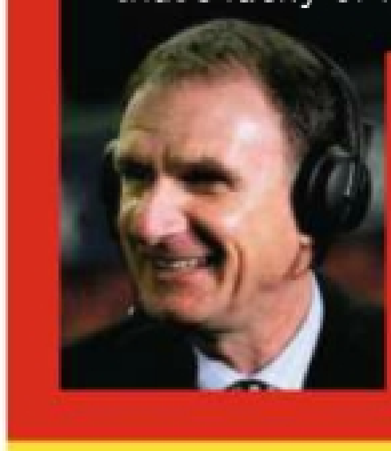


"I wake up in the night thinking about footballers"
Spurs boss Tim Sherwood likes men in boots.



"I thought Lennon might have come on to stretch the game when the game was stretched"
Glenn Hoddle stretches it.

"It's fortunate, not fortunate, that Steven Gerrard missed the game"
Phil Thompson doesn't know if that's lucky or not.



"I can hear my body telling me to avoid cheese and wine"
Ryan Giggs has started hallucinating.

"The smile is on Phil Taylor's face, although he's not showing it"
Sky Sports darts commentator Stuart Pyke is seeing things.

OO-ER SOUNDS A BIT RUDE CORNER!

"It swelled up a lot, but thankfully it's gone down now"
Sam Allardyce loses his wood.

"I'm a big admirer of Ryan Harris' length"
Cricket commentator Nasser Hussain loves the Aussie big man.

"As a striker, you've got to get to used to having a defender up you"
Really, Ian Wright?

Get the Vincent Tan look!

The stuff to wear if you just don't care!

THAT VINCENT Tan's a one, isn't he? If the Cardiff owner's not giving perfectly good managers the sack, he's changing a football club's traditional colours or booing his own team – and we haven't even started on his dress sense yet! Thankfully, we're about to, as we attempt to replicate the elegant, 'tache-tastic swagger and peculiar football-shirt-over-shirt-and-tie "style" that Vincent's made his own, so that you can do it too. Don't worry, ladies, *Nuts* Man here doesn't have a girlfriend. And now probably never will.

Finally Revealed! *Newly Discovered Sex Secret* That Can Make ANY Man...

Last Over 30 Minutes In Bed

My name is Jack Grave and I used to last only 10 seconds in bed.

And the women I slept with hated it... They rejected me, cheated on me and treated me like dirt.

But *all that changed* when I accidentally stumbled across a sex technique that made me last over 30 minutes in bed.

This technique wasn't something I'd read about in a magazine, in a book or seen online and **it's something you'd never expect**...

...But since using it I've ended my premature ejaculation. Plus I now give women multiple intense orgasms and they keep begging me for more.

I'm now on a mission to teach other men what I discovered. For a limited time *I'm revealing this secret sex technique for FREE in a video on my website*. To watch it, just follow the link below now...

What Others Are Saying...

"I started with a 5 minute increase and slowly progressed along and now I can go at it for 45 mins and aiming for the 1 hour mark"

"I tried the ******* [covered in video] technique Saturday and it worked like a charm. My girlfriend was very satisfied thanks"

"The first time I had sex after... I lasted over 20 minutes"

"The last two nights in a row, I have given my wife incredible orgasms and she's told me they were the best she's ever had... Both times I've felt completely in control and never even got close to climax until I was ready to, I've never seen her so utterly happy and enjoying sex!!"

"Lasted from normal of 6-7min to almost 50min today"

Follow the link on the left to discover how they did it...
